WHY?

Person In Charge (PIC) Certification in Food Protection is a mandated training for one person in charge per shift of a risk level 1, 2, 3, or 4 food service operation or retail food establishment. It is required after March 1, 2010 in the following instances:

- When a new food service operation or retail food establishment is licensed
- When a food service operation or retail food establishment has been implicated in a foodborne disease outbreak.
- When Public Health has documented the operation's failure to maintain sanitary conditions under ORC 3717.29 or ORC 3717.39.
